Dr. John E. Cantlon  
Chairman  
Nuclear Waste Technology Review Board  
1100 Wilson Boulevard  
Suite 910  
Arlington, Virginia 22209

Dear Dr. Cantlon:

This is to express my appreciation to you for testifying before the Subcommittee on Energy and Power on June 30, concerning the proposed permanent repository at Yucca Mountain, Nevada.

Your experience and insight added immeasurably to our understanding of the issues involved in this contentious and very important subject. Be assured that your testimony will be useful to me and the other Members of the Committee as we deliberate on this issue.

Once again, thank you for participating in the hearing. With kindest regards, I am,

Sincerely,

Dan Schaefer  
Chairman  
Subcommittee on Energy and Power
